

# Mentor Contract

## 2023-2024 VAHS *FIRST* Tech Challenge

---

**Full Name**

Participation in the *FIRST* Tech Challenge Team will require a large commitment on your part. To be a part of the team you must:

- Exhibit appropriate behavior at all times. This includes behavior within the school as well as at competitions or events.
- Have registered as a volunteer with the Vail School District (to participate in meetings and events).
- Complete and return all paperwork in a timely manner.
- Participate with a positive attitude.
- No alcoholic beverages will be consumed before or during team work sessions and events.
- Follow all guidelines set forth in the [team handbook](#).
- Mentors are there to guide the student through the process of building the robot that the students have conceived and designed. We do not touch any team product during the season or at events with the intent to fabricate or repair. This applies to the robot or team documents.

I have read the VAHS *FIRST* Tech Challenge [Team Handbook](#). I understand failure to follow these guidelines will result in intervention and possible removal from the team.
